

WELCOME TO THE WINDSOR CASTLE INN

Home to our brand-new Printworks Brewery. We pride ourselves on serving deliciously fresh homemade food and perfect pints of craft beer. Served together we believe is a winning combination!

Our welcoming Managers Anne, Emma & Aiden are here to look after you and make you feel at home.

Andre Pelaud heads up our talented and passionate kitchen team. Andre is from Bordeaux in France and his French influences can be seen throughout the menu.

David Tonks our talented Sous Chef works alongside Andre and together they create our tasty seasonal menus which we serve seven days a week.

At the bar you will find an exciting selection of craft beer with differing qualities, styles and tastes. Along with our extensive wine, spirits and cocktail menu.

Equally important to us we have a range of gin available at the bar or upstairs in our Dr Hardwicke's gin emporium.

And remember, we have our 4* bed and breakfast accommodation upstairs if you'd like to stay with us over night and wake up to a 'brewer's breakfast' and enjoy the full Windsor Castle experience.

We hope you enjoy your visit and come and see us again soon!

Emily and Gareth
